

New Brunswick, N.S.

December 17th 1925?

My dear Mr. Pfeiffer -

I enclose the last effort
of the Home News, also the
article referred to on the other
clipping I sent you.

Please tell me, does the
quoted sentence really sound
like my conversation?

Is it possible to trace where
all this information came from?

In the face of the Home
News article can anything more
be done?

I leave it to you & Drury Cooper to
decide what is best to be done.

Sincerely

James Earl Hall.
